

# could you be a festival volunteer?

Do you love the arts?  
Are you sociable, good at  
communicating and organising?  
Would you like to build up work  
experience for your CV?  
This could be a great  
opportunity for you!

MEDWAY

Electric Medway is a digital arts festival running on 19-28 August 2022. The programme will involve a mixture of exhibitions, live events, workshops and online activities across multiple venues.

This year will feature an outdoor trail of augmented reality, art installations, a VR gallery and digital street performances.

As a festival volunteer, you will be helping to support our events across different sites in Medway. This may involve:

- stewarding audiences
- helping the artists and production team
- supporting with setting up installations
- observing health and safety measures
- providing information about the events
- collecting feedback from audiences.

It's a great opportunity to gain work experience in the arts, learn new skills and help build up your CV. We will cover travel and food expenses. Training provided. Open to all. FT and PT opportunities.
